tests so carefully coltivated, could think for a moment upon a youth who were a middle frock! "Oh," and she to Careline as they were alone in the puriot, "if you ever live to marry, be sure and never carry a man they were taken." You don't realize how much trouble he has occasioned me. I have always endeavored to bring up my children as they should be, but he therarest time, and reand me to death. I was always opposed to your being sent to a common action, where you would associate with errory thing, but I could not have my own way. No. He thought the children in S—were generally orderly and well instructed, and his shildren must not be trought to feel above their nergibbers. Such aristocratic motions would sweet do in a republic. Now he may see what he right instructed, and his shildren must not be trought to feel above their nergibbers. Such aristocratic motions would never do in a republic. Now he may see what he republic. Now he may see what he will any when he bears about this."

"Mather," enid Caroline, "I would not tell father any thing about it. Just so like by as not he would think it was a fine to may nothing about it. Just so like a complishments, to be tending a dairy and turning a spinning wheel. He is always afraid we shall not be kept in the kitchen enough, and I expect he would like to have a warry farmers or mechanics for the good of the country, as he tells about."

Caroline's reasoning had its effect.—Mrs. Hats reflected upon it, and fondly came to the conclusion that it would be better to any nothing about it, but send her daughters to a boarding school in Boston as soon as they gould sanks the necessary arrangements. There Locieda and Nelson would not see such other, and probably their fools partially would in a short time to say nothing about it, but send her daughters to a boarding school in Boston as soon as they gould sanks the necessary acrangements. There Locieda and Nelson would not see such other, and probably their fools partially would in a short time.

A few evanings before the t

their foolish partiality would in a short time be forgotten.

A few evanings before the two sisters were to leave for Boston, Squire Hale and his wife were absent and Caroline deeply engaged in reading a new novel in her chamber. Locinels was slone, and as sho my the hors of somet fading in the west, her mind recurred to the circumstances of Adeline's death and bursil. She involventarily repeated the words of a favorite post:—

"Oh my friend.
